On the occasion of the environmental day, NSS UNIT1 conducted a jigsaw mania. which is an online puzzle game. The main concept about jigsaw is that there is a planet in google named jigsaw. In that, we have to register and create our puzzle after creating a puzzle, then we can invite friends to play.

NSS UNIT1 conducted the online game in three rounds. By sending links at three different timings through the mail and at the same time in the what's up the group.
