The badminton matches started on Sunday. There are a total of 35 registered for the game. A total of 30 games have been conducted. A total of 70 members have registered. We told the members to bring the shuttle bats with them. But for those who didn't bring the bats, we provided the bats for them also. We conducted the game both in the evening and the morning session.

The morning session was for the hostelers, and the evening session was for both the hostelers and the day scholars. The event took five days total.

Only two teams registered for the first day session for girls. One team is the runner-up and the other is the winner. In the same way, we started conducting games for badminton for 21 points in only one set. It took 5 days, and the final game was of 21 for 3 sets.
