12th National Voters' Day 2022: It is celebrated on 25 January. The main objective behind the celebration is to encourage, facilitate, and maximize enrolment, especially for new voters. The day has been celebrated since 2011 across the country to mark the foundation of the Election Commission of India, i.e. 25th January 1950.

It is celebrated every year with a particular theme. It not only encourages the youth to participate in the electoral process but also focuses that the Right to vote as the basic right.

National Voters' Day: History

25th January is the foundation day of the Election Commission of India (ECI) which came into existence in 1950. This day was first celebrated in 2011 to encourage young voters to take part in the electoral process. No doubt it is the day to celebrate the right to vote and also the democracy of India. Election Commission's main objective is to increase the enrolment of voters, especially the eligible ones.

About e-EPIC: It is a digital version of the Elector Photo Identity Card that can be accessed through the Voter Helpline App and websites.

National Voters' Day: Significance

India is a democratic country. Every citizen has the basic right to vote. He or she has the right to select his leader to whomever they think is capable of leading the nation, solving the problems of common people, bringing about change, etc. National Voters Day is a significant root of India as the future of the country lies in the leader that we choose.

Just think once, that if we do not come forward and choose the right leader then the progress and development of the country will be hampered and will also affect the people of the country. It is the leader of the country who decides various basic big projects and several things. If the basic system will not be developed properly it may lead to under construction of roads, electricity connection problems, etc. Hence, we should encourage youth to participate and build a strong network for the coming generation who will make sure to cast their votes without fail.

National Voters' Day: Theme

For 2022 "Making Elections Inclusive, Accessible and Participative."

Therefore, we can say that National Voters' Day is an important day celebrated in India every year on 25 January to spread awareness among the youths so that they can cast their votes to a responsible person and participate in the development of the country.

On the occasion of 12th National Voters' Day, Election Commission of India launched a National Voter Awareness contest- 'My Vote is my Future-Power of One Vote' to reiterate the importance of every vote through creative expression. The National Voter Awareness Contest by the Election Commission of India's SVEEP (Systematic Voters' Education and Electoral Participation) program taps into the talent and creativity of people, while also strengthening democracy through their active involvement. Open to all age groups, the contest aims at celebrating ideas and content on the theme of the importance of every single vote in a democracy.
