The NSS UNIT-2 of **Gayatri Vidya Parishad College Of Engineering (Autonomous)** have Celebrated **VANAMAHOTSAV** which means to embrace the nature and celebrate the mother earth and also remainder to protect the earth and its environment. As a part of vanamahotsav, we orgained an event reflecting on the theme **SAVE SOIL AND SAVE TREES**. We always talk about the change that is needed to protect this environment that is being ruined by us, the humans, but none of us actually take this seriously. So this we volunteers decided to make a difference and did everything in our vicinity to take this problem to students. The event was a big success with the cooperation of all the volunteers and the students.

EVENT AGENDA:SAVE SOIL AND SAVE TREES

VANAMAHOTSAV

DESCRIPTION :

Deforestation can lead to disasters that we are unable to bear. Instead of planting new trees we are cutting down trees to develop and to make development. So we NSS UNIT-2 volunteers launched a tree saving awareness campaign in college surroundings to bring awareness among students about their importance. And encourage Students to participate heavily in events like ppt presentation, rally & cleaning of trees.

DAY 1:

PPT PRESENTATION

On this day all our **NSS-2**volunteers gathered and few students presented a ppt about the consequences & solutions .Consequences which we have to face if we continue to cut down the trees at the same rate and Solutions to over the problems which occur by cutting down the tress.

we have discussed the problems and important of tress.

DAY 2:

RALLY

On day 2, we volunteers again gathered and this time, we held a rally in the college premises. Through out the rally, we held posters and chanted slogans in the process of awakening the students and tried our best to make them understand how important it is to act now and how afforestation can make a massive difference. And also the aftermath consequences of further ignoring the climatic changes that are result of cutting down trees. We are already facing the wrath of nature.

DAY-3:

CLEANING PLANTS AND TREES

On Day-3 we volunteers of NSS UNIT-2 gathered and took the initiative With the theme TREES-SOURCE OF OXYGEN as a part of the vanamahotsav event and we cleaned the trees and plants in our college garden by removing the soil on the trees and we also removed the weeds which gives harm to plants.

DAY-4:

DISPLAYING PLACARDS

On day-4 ,we displayed placards showing the importance of trees and how they are helpful to our mankind.And how we should protect the environment by planting trees. And also we have shown how deforestation is harmful to us and how it should be avoided.

we want to protect the environment just as we did in the picture.

In the evening, we explained the theme our event to the students and asked the students to take part in the event.
