## **JUNIORS ENROLLMENT**

The enrolment of juniors was started by campaigning about the club to juniors of all branches. Various groups were formed and went to the classes individually. They were told the details related to the NSS club, it's importance, recruitment process, development of skills and it's main motto.

The interested students willing to join NSS were asked to fill a form which contains the personal details, interests and academic details of the student.

Applications of the students were shortlisted based on the interests, behaviour and academics. Interviews were conducted to all the shortlisted students through google meet. They were divided into groups and were given time slots for the interview. A total of 51 students from all branches were recruited based on their skills and interest towards the club.
