Seniors from the third and fourth years attended on this day to provide information regarding the NSS's operations and core values. And also outlined how the NSS heritage had been passed down by the seniors.

And how it was now up to and incumbent upon the juniors to continue it. All of the functions and duties that the seniors were carrying were highlighted.

The seniors continued this further. And also described the altruistic contribution provided by NSS volunteers to society. And also emphasised the various attributes one may acquire by volunteering for the NSS.

Students that join NSS may also acquire a range of skills, such as leadership potential, enhanced communication skills, socialisation, self-assurance, time management, and many more. And also specified how many hours we needed put in to earn an NSS certificate, which is really advantageous for our resumes.
